From Ottawa, Ontario, siblings Silvie (piano) and Bryan (cello) perform together as the "Cheng² Duo" - a pair whose playing is noted for both their youthful enthusiasm and mature understanding. In celebration of Canada's 150th Anniversary of Confederation, Cheng² Duo have created an innovative show combining both music and visuals. Five Canadian composers were commissioned to musically reflect their geographical region of Canada (Atlantic, Central, Prairies, West, North), performed by the duo accompanied by photo and video projections.

Before their performance on Saturday, October 14th, Bryan and Silvie were Simeon Rusnak's guests in the Diamond Lane.
